

THE UNITED REPUBLIC OF TANZANIA  
MINISTRY OF HEALTH  
TANZANIA FOOD AND NUTRITION CENTRE

## VACANCY

<b>Job Title:</b>	<b>Qualitative data Collectors (8 posts)</b>
<b>Institute:</b>	Tanzania Food and Nutrition Centre
<b>Department:</b>	Community Health and Nutrition
<b>Work station:</b>	Dar es Salaam, Kigoma, Arusha, Lindi, Mbeya, Singida and Mwanza
<b>Working Period and Remuneration:</b>	TFNC anticipates that the approximate level of effort will be between 25-40 work days per enumerator between January and February 2022. An attractive and competitive remuneration package will be offered to successful candidates as per government of Tanzania salary scales.
<b>Institute overview:</b>	Tanzania Food and Nutrition Centre (TFNC) is a Government institution under the Ministry of Health (MoH) established by the Act of Parliament CAP 109. The Centre is involved in spearheading national responses to nutrition and to ensure a coordinated, effective and efficient approach to tackling all forms of malnutrition. It provides strategic leadership to all sectors; strengthens multi-sector coordination and collaboration; advocates for resources for nutrition; promotes harmonization and alignment of sector financing; provides guidance, training and technical support to implementing agencies and monitors and evaluates nutrition programming progress.
<b>Job Purpose:</b>	TFNC under financial support from USAID Advancing Nutrition is looking for qualified and experienced data collectors to perform data collection for a study titled: <b><i>Food taboos and preferences among women of reproductive age in mainland Tanzania</i></b> . This is a cross-sectional community based qualitative study that will explore food taboos and preferences among non-pregnant, non-lactating women aged 15-49 years in selected regions of mainland Tanzania.
<b>Duties and Responsibilities:</b>	<p>The data collectors will be responsible for collecting qualitative data using a voice recorder and writing summaries on note books and type them. The data collectors will report to the Study coordinator on a daily basis. Overall they will be responsible to:-</p> <ul style="list-style-type: none"><li>→ Undergo training on how to carry out this study</li><li>→ Contact individuals to be interviewed at home or field location.</li><li>→ Adhere to standards for ethical research conduct and the protection of human subjects, including informed consent and maintenance of confidentiality</li><li>→ Explain survey objectives and procedures to interviewees.</li><li>→ Carry out in-depth interviews, focus group discussions or key informant interviews per study protocol.</li><li>→ Identify and report challenges in obtaining valid data.</li><li>→ Review interviews and data collection guides and propose improvements.</li><li>→ Meet with supervisor daily to submit collected data and discuss progress.</li><li>→ Attend regular debrief meetings as scheduled by the supervisor.</li><li>→ Spend the entire contract period collecting data and preparing summary of findings.</li><li>→ Interact with local officials and rural residents. They will treat all persons contacted under this study with utmost respect.</li><li>→ Have the highest level of honesty and integrity; and</li></ul>

THE UNITED REPUBLIC OF TANZANIA
